

**NIADA-PAC**  
**Political Action Committee**

NIADA-PAC is the Political Action Committee of the National Automobile Dealers Association. NIADA-PAC may only make political contributions to candidates for federal office.

Federal law requires NIADA-PAC to obtain written authorization from a member of NIADA prior to soliciting contributions to NIADA-PAC. This requirement applies to solicitations conducted via mail, electronic mail, and solicitations made during meetings and conventions.

The NIADA-PAC requests your approval to solicit contributions to the NIADA-PAC and offers the attached form which authorizes us to solicit personal contributions to the NIADA-PAC from you.

Completing this authorization does not obligate you in any way to support or contribute to the NIADA-PAC, it simply allows NIADA-PAC to discuss fundraising efforts with you.

**National Independent Automobile  
Dealers Association**

**Representing the Voice of the Used  
Motor Vehicle Industry since 1946**

Since 1946, the NIADA has been a strong voice for independent automobile dealers in Washington, D.C. with the U.S. Congress, the White House, federal regulatory agencies, state legislatures and many policy organizations that seek to govern used car dealer operations. That tradition continues today as our Capitol Hill lobbyists and regulatory attorneys daily watch the legislative and regulatory activities coming from our nation's capital and how they might affect our dealer members and their businesses.

The NIADA Political Action Committee (NIADA-PAC) was instituted to further enhance our efforts to protect the best interests of the used car industry and NIADA's dealer members around the country. Your contribution to the NIADA-PAC will allow us to work more closely with Congressional members who seek to protect this vital industry and keep the economic engine of our small businesses running strong.

**Federal law requires that NIADA has this form on file in order to solicit for contributions to the NIADA-PAC. Signing this form does not obligate you in any way to contribute.**

Only complete and submit this form if:

- You are (or your company is) a member or associate member of NIADA.
- You are empowered by your company to authorize NIADA-PAC to distribute solicitations for contributions to other executives/employees of your company.
